## Religious Exemption Confirmation

The NBCE realizes that some individuals have religious exemption that prevent them from taking examinations on holy days. The NBCE will provide modifications to the exam schedule for religious exemptions that prevent testing on the regular exam schedule.

Examinees must submit a current Religious Exemption Registration form by the application deadline for **each administration** that conflicts with their holy day.

**This document must be completed THE FIRST TIME an examinee requests religious exemption accommodations from the NBCE. By completing the following section, your religious leader (pastor, rabbi, etc.) attests to the seriousness and regular practice of your religious exemption.** (Your religious leader may be contacted by the NBCE.)

This is to certify that \_\_\_\_\_ is known to me as a Sabbath observer  
(Examinee name)

and is not permitted to take examination(s) on the Sabbath.
