

Registration:

- Report to the location indicated on your MyNBCE account under “My Exam Information.”
- You must register on the correct date and time (as indicated in your MyNBCE account) in order to take the exam. Do NOT be late.
- **Examinees who do not register at the correct location, day, and time will not be able to participate in the examination.**

Bring:

- One form of valid identification for registration.
 - ID: A government issued photo ID (valid driver’s license, state/province ID card, passport, or military ID card)
- Beverages, and/or a snack in a clear plastic bag (allowed for both days of testing). All items will be inspected.

Do **NOT** Bring:

- Valuables, handbags, or briefcases
- Doctor bags or examination equipment
- Writing or study materials
- Electronic devices
- For a full list of items not allowed at the test site, please refer to page 3.

Part IV Examination

The following items will **NOT** be allowed into the examination area. Such items include, but are not limited to:

Electronic devices **of any kind**

Watches and wristbands (**of any kind**)

Activity Trackers

Jewelry (wedding bands acceptable)

Kinesiology Tape

Cellular phones

Cameras

Audio *and/or* Video Recorders

iPods *and/or* MP3 players

Keys (with or without fobs)

Writing instruments **of any kind**

Study materials and/or reference materials, or printed materials **of any kind**

Hats or caps

Handbags, briefcases, or medical bags

No glass water bottles/containers or metal utensils

Any other items that may be questioned by security or test site personnel

Exceptions will be made for feminine hygiene products.

You will **not** be allowed to carry any personal items with you during the examination. You will be asked to return any of these items to your vehicle. If you have any of the above items in your possession during an examination, you may be disqualified or permanently excluded from taking or continuing to take an examination, or from receiving scores.

Examinees will be subject to individual security screening procedures, including the use of metal detection devices. If you refuse to submit to individual screening, you will not be allowed to enter the testing area.
