Hi [Chiropractor's Name],

Your expertise is at the heart of our profession's growth and evolution. That's why we're inviting you to participate in the National Board of Chiropractic Examiners' Practice Analysis Survey.

Your input will shape the future of chiropractic care by identifying the skills and conditions that drive success in our field while ensuring that [Your Chiropractic Program's] education and training are well represented in the data.

This survey is pivotal to NBCE's Part III and Part IV test plans, and the data collected also serves as a catalyst for crucial chiropractic research and informing legislative actions crucial for our profession's growth.
