

Subject: Your Input Matters: Participate in NBCE's Chiropractic Survey!

Hi [Chiropractor's Name],

We're on a mission to gather insights from practitioners like you to inform the future of chiropractic care.

By participating in the National Board of Chiropractic Examiners' Practice Analysis Survey, you'll help identify the trends and best practices shaping our profession while also representing your specialty accurately in the collected data, ensuring the unique aspects of your practice are acknowledged.

The data from this survey not only informs the development of the Part III and Part IV assessments but also fuels essential chiropractic research endeavors and guides legislative decisions pivotal to our field's progress.
